

Conversations with Jesus – Lent 2026

Conversations with Jesus—a weekly Lenten series offered in worship on Sundays, and around tables on Thursdays.

This Lent, we're listening in on Jesus' conversations....

Each week brings a different encounter—temptation, searching, thirst, conflict, grief—and in every one, Jesus meets real people with real lives.

These aren't just Bible stories. They're mirrors.

Because we come to Jesus the same way: tempted, searching, thirsty, wounded, grieving—hoping for a word that changes everything.

This Lent as we discover that these ancient conversations might just be speaking directly into our own lives. Jesus is still speaking!
